

Cancellation Policy for Public and Private Schools

Program bookings must cancel 2 weeks prior to the outing to avoid a cancellation fee. If the cancellation occurs inside the 2 weeks there is a \$75 cancellation fee.

Cancellation within 3 days of the program, by the teacher, due to weather, buses, or other technical difficulties, incurs a \$100 cancellation fee, if the instructor felt the weather was still safe and was willing and prepared to continue the outing.

If the company, "Full Circle Adventures" cancels due to extreme weather, smoke or unsafe circumstances, there is no fee and any payments made to FCA will be refunded.
